RIFLO W D

230V MAX LED 4.8W, READER LED 2x2.1W

Assembly instructions

WARNING: Assembly lamp with the power off.
1. Attach the metal mounting arm to the surface on which the fixture is to be installed.
2. Connect the power wires to the connection blocks and the corresponding light switches.
3. Slide the bezel onto the mounting arm so that the holes on the arm and the bezel are aligned.
Tighten the screws.

Used or broken electrical equipment must not be thrown into the trash bin together with other waste. Used device should be taken to a point of separate collection of municipal waste or a point of utilization of electrical equipment. Proper waste segregation is a very important aspect of environmental protection and must be strictly observed.

WARNING: The installation should be performed by a qualified electrician.
