CAPONIO A

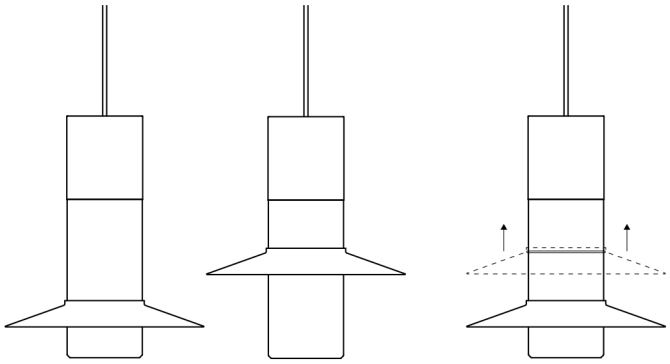

230V MAX. 1 x 15W E27

Assembly instructions

WARNING: Assembly lamp with the power off.

1. Attach the lamp mounting bracket to the ceiling.
2. Connect the power wires to the connection block.
3. Tighten the lamp to the bracket previously mounted on the ceiling with screws.
4. Put the metal disk together with the silicone band on the glass shade.
5. Mount the light source in the holder.
6. Attach the glass lampshade.
7. Set the metal disk in the proper position.

Used or broken electrical equipment must not be thrown into the trash bin together with other waste. Used device should be taken to a point of separate collection of municipal waste or a point of utilization of electrical equipment. Proper waste segregation is a very important aspect of environmental protection and must be strictly observed.

WARNING: The installation should be performed by a qualified electrician.
